CRF Florida Retirement Communities Celebrates a Grand Opening of its latest florida retirement community

[large]CRF Communities has done it again! New Florida Retirement Community Grand Opening In June, 2008[/large]

April 18, 2008 - Vienna Square is CRF Communities' newest gated, Florida Retirement Community being built right in the heart of Winter Haven Florida! Featuring 180 spacious 2-bedroom, 2-bath villas with two car garages, there will also be 80 two and three bedroom Single Family Homes in this new Florida Retirement Community!

Grand Opening of this newest of Florida Retirement Communities by CRF Communities is June 13, 14 and 15, 2008.

With today's active Florida Retirement Community adult in mind, Vienna Square will feature a maintenance free lifestyle! Instead of worrying about cutting the lawn, or painting the villa, Vienna Square residents will enjoy abundant amenities not found in other Florida Retirement Communities. Movie Theater, library, billiards, fitness center and ballroom in the clubhouse, in addition to the pool, spa and tennis courts!

Construction is well underway on the maintenance-free villas built by industry leader, CRF Communities. They are currently available at pre-construction prices ranging from the mid \$100K's to low \$200K's with units available for immediate occupancy!

Even long-term Polk County residents are in agreement that the location of Vienna Square is ideal for a Florida Retirement Community! Just five minutes from Cypress Gardens, it is nestled in the center of a nicely developed area, which gives it a hometown feeling. It is conveniently close to all the local shopping, and yet only 47 miles from the Orlando and Tampa Airports, and approximately 30 miles from Disney! Running errands, going out to dinner, or heading to the airport are easily managed from Overlook Drive.

CRF Communities has been a local family owned and operated business for over 30 years, providing homes for over 30,000 residents in more than 25 Florida Retirement Communities. In keeping with a homegrown desire to see our county benefit from their developments, \$250 from every Vienna Square home sale for the first year will go to one of four charities per the buyer's choice. They include Salvation Army, Meals on Wheels, American Heart assoc. and American Cancer Society.

Vienna Square is a wonderful option for both local folks looking to downsize and "snowbirds" looking for Florida Retirement Communities. In either case, it will be a beautiful addition to

Winter Haven brought to you by CRF Communities.

Come See Vienna Square, a Florida Retirement Community by CRF Communities at our Grand Opening on June 13, 14 and 15.
